

# The Way We Play

## **We can play games at the library?**

Yes! Come along and meet like-minded people and enjoy playing tabletop games.

Test your skills every fortnight at Bundaberg Library.

## **Which games? We hear you ask**

Each fortnight one game is played.

We are starting off with Uno, Scrabble and Yahtzee but games are subject to change and may be added or removed over time.

## **Why should kids have all the fun?**

Fun and Games is part of the library's adult programming and is open to adults only.

These sessions aim to provide opportunities to have fun and socialise.

Those new to the games are welcome and will be encouraged by all to play and learn.

## **Play your cards right**

Generally, games will be played using standard rules. However, players may play according to mutually agreed house rules if it suits them.

## **The stakes are not that high**

Games are played for fun, not sheep stations.

Stay card-ial and play fair!

Respect all others by using appropriate language (non-offensive, non-discriminatory, etc).
